C) Toxic and Pretreatment Effluent Guidelines

The Company will not accept or treat any substance or material that has been defined by the United States Environmental Protection Agency ("EPA") or the South Carolina Department of Health and Environmental Control ("DHEC") as a toxic pollutant, hazardous waste, or hazardous substance, including pollutants falling within the provisions of 40 CFR §129.4 and §401.15. Additionally, pollutants or pollutant properties subject to 40 CFR §403.5 and §403.6 are to be processed according to the pretreatment standards applicable to such pollutants or pollutant properties, and such standards constitute the Company's minimum pretreatment standards. Any person or entity introducing any such prohibited or untreated materials into the Company's sewer system may have service interrupted without notice until such discharges cease, and shall be liable to the Company for all damages and costs, including reasonable attorney's fees, incurred by the Company as a result thereof.
